City Names Dog Park – K-9 Kastle

On January 8, City Council approved a resolution naming the dog park located at Unity Park. The dog park is named K-9 Kastle. The dog park opened in April 2017 and was referred to as “The Dog Park at Unity Park.” City staff worked with the Parks and Recreation Advisory Board for name suggestions and the Board decided on Kanine Kastle as it is adjacent to the Kids Kastle play area at Unity Park. City Council requested the name be K-9 Kastle.

City Council approved a resolution authorizing the contract with Pro-Tow Wrecker Service for wrecker services such as towing vehicles from accident scenes, towing abandoned vehicles, towing improperly parked vehicles, and other situations. Previously the police department requested towing services from several companies on a rotating basis. A contract with one company will provide professional, well-equipped, full-service wrecker to meet city needs.

A resolution was approved amending and increasing the Doubletree Ranch Park Facility Use Fee. After an annual review of the fee schedule, City staff performed a survey of venues providing a similar rental use within a ten mile radius and presented the findings to the Parks and Recreation Advisory Board. The Board's recommendation was approved by Council. The new fee schedule:

Resident	Non-Resident	Deposit
Rooms 101 & 102 - \$30/hour	Rooms 101 & 102 - \$60/hour	\$250 per room
Pavillion -\$200/all day; \$100/half day	Pavillion -\$400/all day; \$200/half day	\$250
All day package for all rooms - \$1200	All day package for all rooms - \$2000	\$500

In the City Manager Report, the [HVTV Update](#) shared the Ask the ACO segment which focused on what to do if a coyote is in your yard and the Factual Phil segment which provided information on the responsibilities of City Council and how to file for a place on the ballot for the May 2019 election.

The City Council early work session and regular session is available on HVTV (Spectrum 15; Frontier 43) and via website streaming by searching HVTV. The meetings are also available for on-demand viewing on the city [website](#).
