In order to enhance the quality of our parks and trails, the City of Highland Village Parks and Recreation Department encourages volunteers. Whether it is volunteering for litter pickup, reporting park maintenance needs, maintaining a flowerbed or volunteering a hand at any of our City sponsored special events there are a variety of volunteer opportunities waiting for you!

Adopt-A-Trail / Park

Additional paperwork needed for Adopt-A-Park or Trail can be completed at the Parks and Recreation office located at 948B Highland Village Road. Forms and program information may also be downloaded off of the City Website/Parks and Recreation Department.

The City will work with groups and individuals to designate an area that is agreeable to both the Department and the adopting organization / individual to perform maintenance related enhancements, etc.

With permission, the City will recognize all program participants on our Parks and Recreation Website, and other opportunities where appropriate.

www.highlandvillage.org

For Groups that adopt entire trail sections or parks would be eligible for "Adopt-A-Spot" Signage. The City will provide a sign acknowledging the organization / individual and display this sign in the selected area to be maintained.

Although our Adopt-A-Park signs are a great way to recognize a business, they are not intended to be an advertizing medium. The signs point out who is providing the adoption service, not what they do or where they are located. Contact information, product names, and/or slogans are NOT permitted on recognition signs.

Other Opportunities

- **Memorial Tree Program**

Planting a tree in a city park or along a trail is a wonderful way to honor a loved one and also provides a gift to the whole community. Trees are planted in public parks and along trails so everyone can enjoy the shade, beauty and enjoyment a living tree provides. Planting a memorial tree is a remembrance of the past and at the same time a renewing of life. It's a gift that can last through several lifetimes; a gift that keeps on giving.

Native Trees are preferred. All desired tree species and location of plantings must be pre-approved by City Staff.

- **Memorial Bench Program**

The Memorial Bench Program provides the opportunity for our community to honor a loved one, celebrate a special event in your life or honor a person or organization that has made a difference in the community through the purchase and dedication of a bench to be placed in a park or along a City trail. Bench sponsorship fee is \$1500 for a 6 foot bench with plaque in the backrest. The fee covers the cost of the bench, its installation and recognition plaque.
