### ***City Announces 2018 Photo Contest Winners***

The City's annual "Give Us Your Best Shot Photo Contest" has just come to a close and the winners are ready to be announced. Each year, Highland Village encourages people to submit their best shots from the year into the contest for cash prizes. The only requirement to enter is that the photos must be taken in Highland Village.

There are five categories that people can enter photos in: City parks, City events, nature/wildlife/pets, and family fun. The photos can range from a dog lounging outside to a perfectly curated shot of a Christmas tree at Our Village Glows as long as they fit in one of the categories. First, second, and third place will be awarded in each category, given that there are enough entries, and there will be one best overall winner. After carefully looking through all of the photos and considering the categories, the winners have been chosen. [Here they are!](#)
